Fellowes Powershred C-480C Cross Cut Paper Shredder

The Fellowes Powershred C-480C Cross Cut paper shredder comes with a shred size of 5/32" x 1-1/8" confetti cut shreds. This shredder can shred up to 24 sheets of standard 20 pound paper at a time. Features the exclusive Turbo Jam Release button to power through jams. Has a Heavy duty 1.9 HP motor that can shred over 480 sheets of paper per minute. Durable steel cutters accept credit cards, staples, and paper clips, with a designated safety slot accepts CDs. Has a throat opening of 16" and a 37.5 gallon shred bin that has a pull-out wastebasket for easy disposal of shredded material. This shredder will shut off automatically and will alert the operator when a jam occurs, wastebasket is full, or the door is open. The door has a holder for the oil, manual and shredder bags. Comes with a 2 year warranty on the shredder and a 20 year warranty on the cutting blades.
