Formax FD 8400SC Strip Cut Paper Shredder

The FD 8400 SC paper shredder will shred up to 32 sheets of normal 20 pound copy paper at a time. It has a auto start/stop, reverse and a auto cleaning feature. There is an electronic safety switch on the door so the paper shredder will not shred any papers without that door closed. This strip cut paper shredder can shred paper clips, staples and credit cards. The FD 8400 SC has a high quality metal cabinet with casters for mobility. The gears are all metal and it comes with a heavy-duty waste bin. The special heat treated steel cutters require minimal oil. This shredder is built to the highest standards for operator convenience, safety and reliability. Comes with a 1 year limited warranty on parts.
