Fellowes Powershred C-120C is designed for small office use. It is powered by a thermally protected motor and can shred 12-14 sheets of 20-pound paper at a time. This is a cross cut shredder that will shred your paper into 5/32" x 1" confetti particles at the speed of 20 feet per minute. This model has a great new feature call the Turbo jam Release button. It gives the operator a faster time at getting jams back out of the shredder. The throat size is 9-1/2" so it will easily be able to accept letter and legal size paper. There is an indicator light to let you know when the wastebasket is full, a paper jam occurs, or if the door is left open. The C-120C comes with a 13-gallon wastebasket and easy to pull out to empty when it becomes full. There is a storage place inside the door of the shredder to store your manual, oil, and shredder bags. It has a electronic auto start/stop feature for easy operation. Comes with a 3 year limited warranty on the shredder and lifetime on the cutting heads. This is a great shredder get yours today!
