Fellowes Powershred C-320C Cross Cut Shredder

Fellowes Powershred Model C-320C Cross Cut paper shredder can shred up to 14-16 sheets of 20-pound paper. It cuts the paper into 5/32 inches x 1-1/8 inches of confetti particles. This model has a great new feature call the Turbo Jam Release button. It gives the operator a faster time at getting jams back out of the shredder. The throat size is 10 inches so it will easily be able to accept letter and legal size paper. This shredder can continuously feed 80-column paper because of the wide opening. It can shred credit cards, staples, and small paper clips. There is a designated safety slot for shredding CDs. There is an indicator light to let you know when the wastebasket is full, a paper jam occurs, or if the door is left open. The C-320C comes with a 24.6-gallon wastebasket and easy to pull out to empty when it becomes full. There is a storage place inside the door of the shredder to store your manual, oil, and shredder bags. It has a electronic auto start/stop feature for easy operation. Comes with a 3 year limited warranty on the shredder and lifetime on the cutting heads. This is a great shredder get yours today!
