Fellowes Powershred C-380C is designed for large office use. It is powered by a Heavy Duty thermally protected motor and can shred 14-16 sheets of 20-pound paper at a time. This is a cross cut shredder that will shred your paper into 5/32" x 1-1/8" confetti particles at the speed of 20 feet per minute. This model has a great new feature call the Turbo jam Release button. It gives the operator a faster time at getting jams back out of the shredder. The throat size is 15 inches so it will easily be able to accept letter and legal size paper. This shredder can also accept continuous feeding of 132-column paper. There is an indicator light to let you know when the wastebasket is full, a paper jam occurs, or if the door is left open. The C-380C comes with a 31.6-gallon wastebasket and easy to pull out to empty when it becomes full. There is a storage place inside the door of the shredder to store your manual, oil, and shredder bags. It has a electronic auto start/stop feature for easy operation. Comes with a 3 year limited warranty on the shredder and lifetime on the cutting heads. This is a great shredder get yours today!
