MBM Destroyit 4005 Cross Cut Paper Shredder

The Destroyit 4005 cross cut shredder comes with the SPS (Safety Protection System) package. It is electronically controlled and has a transparent safety shield in the feed opening. The Easy Switch control element uses color codes and back-lit symbols to indicate operational status. Had and automatic reverse and power cut-off in case of a paper jam. The power cut-off is also there when the shred bag is full or the cabinet door is open. This shredder has a automatic start and stop. ECC, (Electronic Capacity Control) indicator helps prevent paper jams by indicating sheet capacity levels during the shredding process. Automatic oil injection insures optimal performance at all times. Wide 16 inch feed opening. The sheet capacity is 30-32 sheets of standard 20-pound paper but will vary due to variations in paper and power supply. 59-gallon bin capacity. High quality, hardened steel cutting shafts take staples, paper clips, and credit cards. This is a wooden cabinet and is mounted on casters. Has a pull-out bag frame mechanism mounted on rollers for easy replacement of disposable shred bags.. Comes with a lifetime warranty of cutting shafts.
