Kobra 260 HS High Security Cross Cut Shredder

High security cross cut shredder suitable to shred classified and "Top Secret" documents. Equipped with "ENERGY SMART" system with optical illuminated indicators for zero power consumption in Stand-by mode and environmental protection. Approved by many International Governments and Military Bodies, it's also being used by the US Department of States, the CIA and the National Security Agency. A special cutting system can shred a paper sheet in about 10,000 microchips which become absolutely unreadable even if special electronic optical microscopes are used. 21 gallon high quality steel cabinet holds high volume of shredded material. The Kobra "Accu-Flow" automatic oiler is available as an option on this model.
