High security cross cut mid-size shredder suitable to shred classified and "Top Secret" documents. Equipped with "ENERGY SMART" system with optical illuminated indicators for zero power consumption in Stand-by mode and environmental protection. Approved by many International Governments and Military Bodies, they are also being used by the US Department of States, the CIA and the National Security Agency. A special cutting system can shred a paper sheet in about 20,000 microchips which become absolutely unreadable even if special electronic optical microscopes are used. Meets NSA CSS Specifications 02-01. The Kobra "Accu-Flow" automatic oiler is available as an option on this model.
