Kobra 400 HS-6 Auto-Oiler High Security Cross Cut Shredder

Powerful high security shredder with the highest capacity and a 16 in. throat to shred high volumes of "Classified" and "Top Secret" documents. The special cut of 0.8x5 mm. meets the latest shredding Standards issued by the National Security Agency (NSA/CSS Specification 02-01) of the US Government. An A4 sheet of paper is shredded into 16,500 micro-shreds which become absolutely unreadable even if special electronic optical microscopes are used. Tested and approved by many international Governments and Military Bodies, this shredder is also being used by the US Department of States, the CIA and the National Security Agency. Equipped with the "ENERGY SMART" system with optical illuminated indicator for zero power consumption in Stand-by mode and with a powerful 24 hour continuous duty motor. without overheating or duty cycle.

KOBRA 400 HS-6 Auto-Oiler comes with an automatic oiling system as standard feature. Unlike other oilers from other manufacturers, KOBRA 400 HS-6 Auto-Oiler comes installed inside the shredding head with all internal components. The oil reservoir is also internal and is held in a special mounting bracket inside the shredder cabinet. The auto-oiler oils the cutting heads in specific timing intervals based on usage and will keep the cutting blades clean, lubricated and at their maximum efficiency at all times. The oiler will also activate a signal light on the operations panel and will notify the user when the oil level is low to guarantee

continuous oiling operation. The oil reservoir will hold one quart of oil and can be refilled or replaced conveniently.

We assure you, Kobra 400 HS-6 Auto-Oiler will meet the requirements of your most demanding applications.

- High security cut of 0.8x5 mm. for "Confidential" and "Top Secret" documents
