Kobra Cyclone HS Paper Shredder

High security industrial shredder designed for large quantities of "Classified" documents (500 sheets at a time). 2 available igh security levels: level 005 (NATO approved) and level 006 which meets the latest shredding standards issued by the National Security Agency: NSA/CSS Specification 02-02 for paper destruction. The size of the particles (Security level) can be chosen when ordering the machine and it will always be possible to change the Security Level, choosing between the 2 different available ones, any time after installation of the unit with a simple operation to adapt to any shredding need. Shredding capacity of 500 sheets at a time remains unchanged with any Security Level installed in the machine. It doesn't require any oiling of cutting knives or special maintenance; this makes it easy to use for everybody at the office. Kobra Cyclone complies with the shredding standards of ASIO - Australian Security Intelligence Organisation - T4 Protective Security.
