Martin-Yale Intimus 20CC3 Cross Cut Paper Shredder

The **Intimus Pro 26CC3** is lightweight and has all new advanced I-Control, Silentec and 2X2 features. With the high quality and high performance that Intimus provides, these units easily outrank the competition. These features guarantee your safety and privacy.

The key to the success of this data shredder lies in the infeed behavior and the geometry of the cutting shafts. Both factors are vital for high performance and for the required shred size. The cutting shafts of the Intimus PRO data shredders are made of specially hardened steel. They are wear-free and can handle paper clips and staples.

Innovative sound dampening system that produces whisper quiet operation; spring mounted shredder block absorb sound waves before you hear them.

For home or small offices.
